Arts Education Guidelines 2022
Arts Education Grant Guidelines 2022

This project is made possible with funds from the Statewide Community Regrants Program, a regrant program of the New York State Council on the Arts with the support of the Office of the Governor and the New York State Legislature and administered by the Arts Council for Wyoming County.

Arts Education grants are designed to support arts education projects in K-12 public schools; after-school settings; and partnerships with community-based organizations (ex: senior centers, etc.). These grants are meant to build the capacity of local artists and non-profit arts organizations while providing public school-aged students, adults, and seniors with high-quality artistic learning experiences. Projects should draw on arts education practices to engage participants in the creation and interpretation of artistic works. Instruction must be sequential, age- and skill-based, and focused on the exploration of art and the artistic process. Emphasis is placed on the depth and quality of the creative process through which participants learn through, or about, the arts. Projects must take place in a Wyoming County. Schools may not apply directly for this grant.
APPLICATION DEADLINE JANUARY 7, 2022 AT 5 PM.

2022 Final Reports are due no later than 30 days after the completion of the project. All reports must be submitted by January 31, 2023.

Statewide Community Regrants Overview

Founded in 1977, the Decentralization Program (DEC), now called Statewide Community Regrants, was developed to ensure that New York State’s cultural funding reaches every part of the state. Renamed the Statewide Community Regrant Program in 2021, these grants have since become one of the Council’s most effective means of making arts support available to geographically, economically, and ethnically diverse segments of the state’s population. The program serves each of the state’s 62 counties and funds volunteer community organizations as well as established non-profit corporations with paid professional staff.

The program forms the cornerstone of the Council’s partnership with local arts agencies throughout the state, providing a link between the Council and portions of the community that might not otherwise be able to access funding from NYSCA.

Statewide Community Regrant funds are regranted locally by regional and local arts agencies at the invitation of the Council. The “SCR” sites are charged as advocates and catalysts for arts and cultural development at the local level and provide a wide range of multi-arts programming and services for local communities, artists and small organizations. Through SCR regrant funding, SCR sites provide project support to a wide range of professional, vocational and educational arts and culture in their respective communities including the creation of new work by individual artists directly through the Individual Artist Category.

Technical Assistance Seminars and Gatherings

Throughout the year ACWC holds Technical Assistance Seminars for our grantees, applicants and sponsoring agencies. These are typically held on the second Tuesday of alternating months from 6:30 to 8 PM. (Please check the ACWC website calendar of events for further information.) Topics include finding local talent, tax information for artists and non-profits, marketing your art, writing a grant or a final report and others. If there is a topic you are interested in, please let our Grants Coordinator know.

In an effort to connect local artists and sponsoring agencies, ACWC also offers Gatherings on the months opposite the Technical Assistance Seminars. These are again the second Tuesday of the month from 6:30 to 8 PM, at different locations throughout Allegany and Wyoming Counties. Gatherings are laid back opportunities to talk about issues in our local art community and an excellent opportunity to make connections with those that care about making this vital group thrive in our county. If you are interested in sponsoring a Gathering and/or letting us use your space, please contact Linda Franke at 585-237-3517 ext 102 or franke@artswyco.org
