Seminars and Artist Labs

Seminars will be offered to new and returning applicants. We require new applicants to attend a seminar or talk directly to the Grants Coordinator. Returning applicants are highly encouraged to attend a seminar due to the move to online applications and several important changes to the process for the FY27 cycle. Artist labs are training we do as part of the program to help artists with professional development. Register for both through the email below. Registering allows us to know if we will have people attending.
